

Once upon a time
There was three Little white
Blood cells. they were just formed.
Soon COVID invaded the other
arm. some blood that went away
Told them not to go there
Because they did not know what
it was. But they did not listen.

On the Terrier they meet
the Flu they kicked it's
but leaving it dead.
They Chased! Some Red
Blood Cell said they were
near the heart once
they were out of there
they ~~Entered~~ to the other
arm they saw Not one Big
Bad covered 19 But two.
one Chased them the Big
Bad covered 19 ~~Entered~~ them
in to the heart ~~and~~

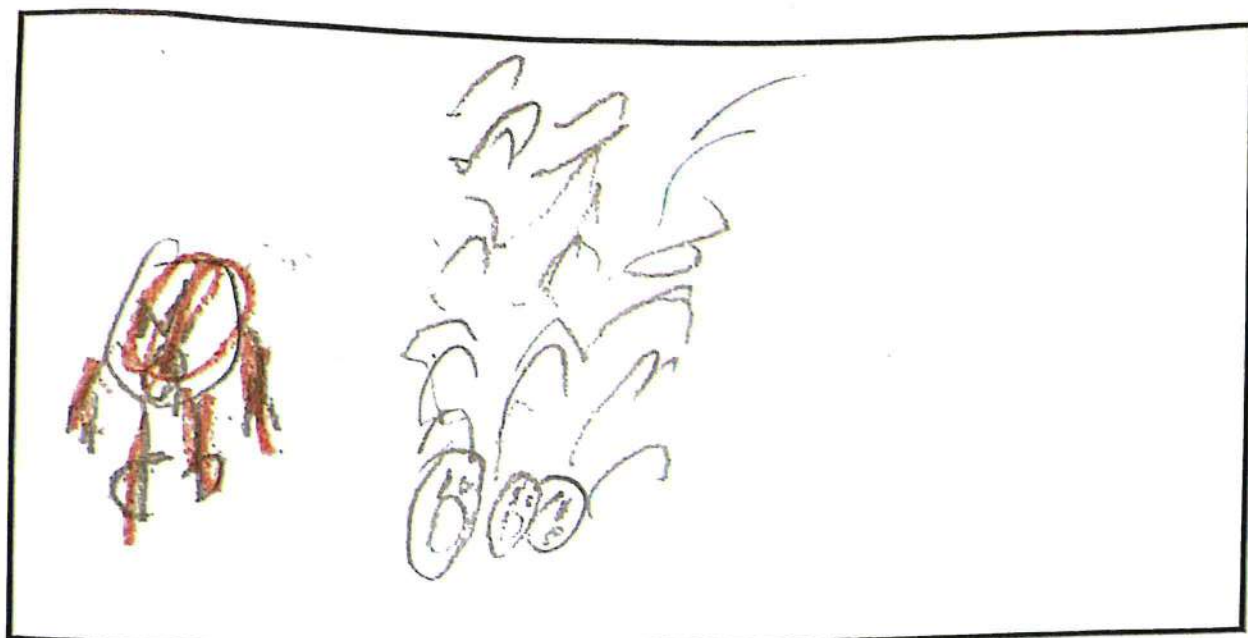

out and chaste dnt ham
and chaste past the
plase thay killed the
Flu thay ran unfill
the coved in did Not
know were were thay
thay meeted the cold
thay killed it soon

the covered 19 found them
they ran and they ran
and they ran they
ran to there hose But
the covered 19 was
mad so he in feed the
hose So a bunch of
other white blood cells
had to fight with them
they fought and fought
UNTIL they got tired
they took a little
break and took a few

Bit's of chocolate. Soon the
Battle contied the other
Coved 19 came it was
madness. Soon some
Wite Blood cells Formed.
Soon ~~every~~ Boody Saw
a Pill the coved 19
DIP NOT Die so the

Batt content they killed
one covered id By accidit
But the other one
was mad abot that
so the blood fled
in to the hart and
out past the dead
flin hufing and
Pufing they fight a
fold AS a army
they Desid to camp
out there. wean they
woke up covid 19

WAS above THAM
IT SAID I LOOKED
FOR YOU ALL NIGHT
I JUST FOUND
YOU HE LATHD AND
LATHD HE DIND NODGE
A SHOT HE DIED
INSTLY THE BOOLD CELLS
