Once upon a time in the bunny house, Papa, Mama, and Baby bunny went on a walk. While they were gone, Goldilocks came inside.

First she tried Papa's carrot. It was too burnt.

Next, she tried Mama's carrot. It was too cold.

Last, she tried Baby's carrot. It was just right.

Goldilocks fell asleep. Meanwhile, the bunnies came back.

"Someone has been eating my food," said Mama.

“Someone has been eating my food,” said Baby, “and it is all gone.”

Then they find Goldilocks sleeping. She screams and runs away.

Goldilocks would never go into the forest again.
