

4th of July

This car ride is way too boring,
While outside the rain is pouring.
10pm way at night,
All things lit by just moonlight.
Tomorrow morning will be crazy
But tonight I am just lazy.
SKIRT SKIRT PARK!
in the dark,
Finally at our motel.
The next morning,
So less boring!
My body's shaking while anticipating
How much fun it will be!
Back in the car,
We drive so far,
Are we there yet?
Yes we are.
In the driveway,
What a blast,
Those nerf gun bullets are so fast!
Children laughing
having fun
eating popsicles under the sun
water guns squirt, kiddos play,
wow this is an awesome day!
Eating hotdogs, pizza too,
While the sky is still brand new!
In the backyard we all walk,
While me and you talk, talk, talk!
Slip'n slides, are cool too,
I'm so happy I'm with you!
You and me on the slackline,
While your neighbor shouts "Sublime!"
The neighborhood friends all come over
While me and you find a four leaf clover.
Now it's time to eat, eat, EAT!
Take your shoes off your feet!
Come inside,
It's okay,
We will play later today!
Chips, dips, pass them around,
Turn up the music I don't hear a sound!

Plates all done,
Back in the sun,
In the pool,
Man, kids really rule!
Out of the pool,
That was a blast!
I really wish we could do this more
We go to open the house door.
Lots of fun,
In the sun,
For hours today,
We play, play, play.
Then we stop
Quite in shock as we hear a
BOOM BOOM CRACK!
Shivers crawling up our backs,
As we realize it's FIREWORKS TIME!!
Gather round young and old,
As we eat our dinner feast,
For after this food we run east!
After dinner we run outside,
And to our amazing surprise,
We see our fireworks in the road all up in a line!
BOOM POW FIZZ CRACK!
Shivers crawling up our backs,
Red, green, yellow, blue,
All the colors feel so new!
We grab a bag of glow sticks,
You really wouldn't want to miss this,
I make a necklace around your neck,
As we sit up on your deck.
After that,
we grab our pack
Of little party poppers,
And then throw them into the road,
And watch them one by one explode!
That was so, so much fun!
But wait the day isn't done!
And then we run to the big open field
and watch the town fireworks go crazy!
As we sit down we see we are in a field of daisies!
Wow this is an awesome night,
With you I'm in so much delight!
I love the 4th of July so much!

I really feel so blessed,
To share this amazing night with you,
this night really is the best.
