Once upon a <sup>time</sup> there was a girl named Malina and  
her name one day I asked my friends what they  
wanted to do when they grow up because I was  
bored but I was inspired to make a book because  
they had so many great answers. It was kind of  
a book, twenty pages and I stapled it  
I took me ten days to do the book  
because before I always play a bunch  
of games and I don't want to miss out  
on that and when I get I have time, but some  
times I paint. one day I did it! I finished  
the kind of book. one day I showed my  
teacher and he wanted me to read it to the  
class. I was so scared but when I was  
reading I felt amazing! and every one  
loved it. I was so scared but when I was
